

## Programs Shared By Participants at the Reinventing Our Campuses Virtual Forum

### Order an Angelot

**Description:** Order an Angelot aims to prevent sexual violence and harassment in bars, parties, and social events. The accreditation protocol provides awareness and prevention tools to reduce the risk of sexual violence and harassment.

### Stepping Up

**Description:** Peer-to-peer dating violence prevention program for PSE students.

**Website:** <https://www.yellowbrickhouse.org/schools-for-change/>

**Contact:** Melanie Fallis; [MelanieF@yellowbrickhouse.org](mailto:MelanieF@yellowbrickhouse.org)

### the Anti-Violence Project

**Description:** The Anti-Violence Project is the sexualized and gender-based violence resource centre at the University of Victoria, on unsundered Lək'wəŋən and W̱SÁNEĆ territories. We offer consent education and peer to peer support for survivors of all genders.

**Website:** <https://antiviolenceproject.org>

**Contact:** [education@antiviolenceproject.org](mailto:education@antiviolenceproject.org)

### Healthier Masculinities Program

**Description:** The Healthier Masculinities Program is a multi-faceted project, which works to engage men and masculine-identified folx in anti-violence work in the UBC Vancouver community, and to support a broader process of reimagining masculinity.
