# WHY? HOW?

- What's a fun way to engage students?
- Effective sexual violence prevention and consent education goes beyond statistics and definitions
- Supervisor who gave me space to throw this “out there” idea out there

# CONSENT ED THAT IS:

- Disruptive
- Disarming
- Performance
- Invites engagement & interaction
- Humorous
- Multi-pronged approach

**Am I suggesting every consent educator create a drag persona?**

**YES, 100%**

---

# **KIDDING, OF COURSE**

**But there's a lot to be said about bringing creativity and authenticity to this work**

HOW CAN YOU BRING  
**PLAY,**  
**CURIOSITY,**  
**CREATIVITY,**  
**AUTHENTICITY**  
TO THIS WORK TO STRENGTHEN YOUR  
APPROACH?

# Thank you!
