

Sexual CONSENT is essential

96% of Canadians agree that sexual activity must be consensual.

Yet, only 1 out of 3 Canadians know what consent is.

Consent is...

- **VOCAL:** IS NOT AN ABSENCE OF “NO”
- **CONTINUAL:** CAN BE REVOKED AT ANY TIME
- **FUN:** OH YA!
- **SOBER:** CANNOT BE GIVEN IF THE PERSON IS INCAPACITATED BY ALCOHOL OR DRUGS
- **CONSCIOUS:** CANNOT BE GIVEN IF THE PERSON IS UNCONSCIOUS
- **GIVEN FREELY:** CAN NEVER BE OBTAINED THROUGH THREATS OR COERCION
- **BETWEEN PEERS:** CANNOT BE OBTAINED IF A PERSON ABUSES A POSITION OF TRUST, POWER OR AUTHORITY
- **CLEAR:** CANNOT BE ASSUMED OR IMPLIED
- **PRESENT IN A RELATIONSHIP:** DATING SOMEONE DOES NOT MEAN CONSENT IS AUTOMATICALLY PRESENT
- **ENTHUSIASTIC:** Yes, I'd love to
- **GENUINE:** Totally into #%*ing tonight, but not *^#*.
- **CONFIDENT:** LET'S DO IT!!
- **SHARED:** I feel like with you... What do you feel like??
- **SOBER:** I've had too much to drink tonight
- **CLEAR:** YES YES YES
- **EVERY TIME:** Not tonight maybe Friday.

DO YOU ASK?
